Remarks

TO BE BUILT-NO HOA! Discover the endless possibilities with this custom-build, multi-generational home, where mountains and saguaro cacti create a breathtaking backdrop. Perfectly designed for extended family living, this property offers both privacy and shared spaces, all within a setting that's truly one-of-a-kind. This unique opportunity allows you to put your personal touch on the final finishes, making this dream home truly your own. The home boasts 10-foot ceilings throughout, enhancing the spacious and airy feel of the interior. A 15-foot collapsible patio door seamlessly connects the indoors with the outdoors, allowing for an effortless flow between the living area and your private outdoor oasis. PHOTOS OF PREVIOUSLY BUILT MODEL. Built with 2x6 construction and spray foam insulation, this home is as energy-efficient as it is sturdy, providing comfort and peace of mind. A walkable attic offers additional storage space and ease of access. Outside you will find wide-open spaces, ideal for outdoor activities, gardening, or simply soaking in the desert's natural beauty. The panoramic mountain views and towering saguaros offer a sense of tranquility and connection with nature that's hard to find elsewhere. Best part is, there's no HOA! Please note, buyers will need to secure a
